In 2017, the Silver State Health Insurance Exchange (Exchange) underwent a programmatic audit to ensure compliance with the requirements set forth in Section 45 Part 155, Subparts C and K of the Code of Federal Regulations (CFR) for the 2016 plan year. The Exchange contracted with Milliman, Inc., a third party auditing firm from Seattle, Washington, in order to satisfy this requirement. Milliman presented the Exchange with one audit finding as a point for improvement. The Exchange concurred with this audit finding and has taken corrective action to remedy this one finding. The Exchange remains dedicated to meeting and surpassing the standards and requirements set out for us in Section 45 Part 155, Subparts C and K of the CFR while we strive to provide low cost, high quality health insurance to Nevadans.

For more information or questions concerning the programmatic audit, please contact:
