## UnitedHealthcare to remain on Nevada's State Exchange for upcoming 2017 Open Enrollment

Carson City, Nev.—The Silver State Health Insurance Exchange, Nevada's state agency that helps individuals find budget-appropriate health plans through the Marketplace, Nevada Health Link, is gearing up for the next Open Enrollment period, which will begin November 1, 2016 and close on January 31, 2017. The plan certification process is being completed and Health Plan of Nevada—a UnitedHealthcare company—will be available through Nevada's Exchange for upcoming open enrollment.

"There has been a lot of discussion in the press about UnitedHealthcare exiting state marketplaces," said Janel Davis, Communications Officer for the Exchange. "We wanted to be sure that everyone understands that Health Plan of Nevada will continue to be accessible to Nevada's consumers in 2017."
