Nevada Exchange issues Request for Proposal for technology platform

Carson City, Nev. – Today, the Silver State Health Insurance Exchange (Exchange), Nevada’s state agency that helps individuals obtain budget-appropriate health coverage through the online marketplace, Nevada Health Link, issued a Request for Proposal (RFP). This RFP is one of the agency's initial steps toward an intended transition away from Healthcare.gov to pursue an already proven technology platform and associated consumer assistance center. The RFP is issued in anticipation of Nevada Health Link operating as a State Based Marketplace (SBM) effective November 1, 2019 and to provide enrollment in Qualified Health Plans (QHPs) with coverage effective January 1, 2020.

"The Exchange is exploring a full State Based Marketplace operation as an opportunity to not only find cost-savings, but to also allow for a better user experience for consumers, carriers and licensed enrollment professionals," said Executive Director of the Nevada Exchange, Heather Korbolic. "Year-over-year, enrollment growth highlights the on-going demand for affordable insurance options. The Exchange is focused on offering Nevadans reliable and accessible health coverage with responsive consumer assistance and resolution."

The Exchange was established per Nevada Revised Statutes (NRS) in 2011 by the State of Nevada, and operations began in 2013, on the belief that all Nevadans deserve access to health insurance. Nevada Health Link, the state-based online marketplace, supported by healthcare.gov, allows Nevadans to shop for health insurance and provides federal tax credits and subsidies to help cover the cost of insurance for those who qualify. For more information about health insurance offered through Nevada Health Link, call 1-855-768-5465, visit www.nevadahealthlink.com, subscribe to Nevada Health Link's [blog](#) and [YouTube](#) channel, like them on [Facebook](#) or follow on [Twitter](#) and [Instagram](#).
