Statement from Nevada Exchange Executive Director, Heather Korbolic on Centers for Medicare & Medicaid Services Navigator budget cuts

“In the wake of the [announcement](#) made by the Centers for Medicare & Medicaid Services on the navigator program budgets cuts, I would like to remind Nevadans the Silver State Health Insurance Exchange (Exchange) does not rely on federal funds nor the state general fund to pay for Navigator and In-Person Assister grants. The Exchange recognizes the tremendous value in Nevadans helping Nevadans select and enroll in appropriate and affordable health insurance plans, which can be a complicated process. As such, the Exchange makes it a priority to allocate a significant portion of our budget to this critical function, ensuring that Nevadans have access to in-person assistance statewide.”
