In-person assistance available as consumers have one day remaining to enroll in a Qualified Health Plan through Nevada Health Link

LAS VEGAS - The clock is ticking as the December 15th midnight deadline approaches for enrolling in a qualified health plan through [Nevada Health Link](#), the state's health insurance marketplace. Fortunately, consumers have several options to help them sign up for a health plan that fits their needs and budget, thanks to the help of an enrollment professional in their own neighborhoods. With easy-to-access locations including the Galleria Mall, The Boulevard Mall and Meadows Mall, Nevadans should make an appointment today or simply walk in to speak with a licensed broker or agent. Consumers can also enroll and purchase Qualified Health Plans on [NevadaHealthLink.com](#) through midnight December 15.

Below is a list of five granted broker and agent locations, including hours and contact information: Nevada Health Link also partners and certifies over a hundred broker and agents licensed in Nevada.
