Background

• **Silver State Health Insurance Exchange**
  • NRS 695I
    • Operational since October 1, 2013
    • Facilitates the purchase of subsidized health insurance for Nevadans

• **Navigator Program**
  • The Exchange must establish a Navigator Program according to 42 USC 18031(i) [45 CFR § 155.210](#)
  • An entity shall demonstrate to the Exchange involved that the entity has existing relationships, or could readily establish relationships, with employers and employees, consumers (including uninsured and underinsured consumers), or self-employed individuals likely to be qualified to enroll in a qualified health plan.
Background

• **In- Person Assistance Program**

  • The Exchange has established an In-Person Assistance program along with the Navigator program, and has a process in place to operate the program consistent with the applicable requirements of 45 CFR 155.205(c), (d), and (e).

  • Both Navigators and IPAs are aimed at outreach, education and enrollment to uninsured and hard-to-reach populations. IPA’s and Navigators will offer services and perform these duties with a range of staff. The same scope of duties such as training standards, conflict of interest standards and privacy and security standards will apply to both Navigators and IPA’s.
Navigator Entity / IPA Entity EEF

- Navigator/IPA Entities will consist of public and/or private entities that will outreach, educate and enroll qualified individuals and employers in Qualified Health Plans (QHPs) and publicly funded health care through the enrollment methods provided by the Exchange. Navigator/IPA entities, and Producers will work in concert to ensure all individuals have access to health insurance coverage provided as a result of the Affordable Care Act (ACA).

- Navigator/IPA entities must provide Navigators/IPAs who will be responsible for outreach, education and enrollment for the currently uninsured or underinsured populations and will present to those populations the options available under the ACA. Navigators and IPAs will work in concert with the Marketing and Outreach team.

- Show that the Navigator and/or IPA entity has, or will have, prior to the commencement of Navigator or IPA operations employees or associated volunteers who have an EEF Certification issued by the DOI. If the Navigator and/or IPA entity ceases to have an EEF certified individual on staff, all Navigator and IPA operations and funding must cease.

- Accept the requirement that the Navigator and/or IPA’s entity will be an independent contractor and its employees or volunteers will not be in joint employment with the Exchange.
Navigator Entity / IPA Entity EEF

Navigator / IPA Entity Cont.

• Acknowledge that a Navigator/IPA entity will, as a precondition for receiving any grant funds, enter into an independent services contract or grant award agreement that, among other things, will set forth terms concerning confidentiality and indemnification obligations and terms for cancelling, terminating or withdrawing the grants, for cause or for unavailability of funding as applicable.

• Demonstrate that the entity has processes in place that comply with the privacy and security standards adopted by the Exchange as required in accordance with 45 CFR §155.260; and

• Demonstrate how the organization’s business model, service area, social media and clientele will be leveraged to support the Navigator and/or IPA entity’s mission and show how Navigator and/or IPA funds will support the Navigator/IPA mission, ancillary functions of the entity.
