**Statement from Nevada Health Link Executive Director, Heather Korbolic on HealthCare.gov's
Incorrect Open Enrollment Notices**

“Nevada Health Link was made aware that the Federal Health Insurance Marketplace, known as HealthCare.gov, incorrectly sent notices to Nevada consumers regarding the upcoming open enrollment period. These notices from the Marketplace were sent in error. Nevadans who received notices from the Marketplace should be aware that NevadaHealthLink.com is the only place to get enrolled in a qualified health plan during the next open enrollment period beginning on November 1, 2019. If you have questions please call Nevada Health Link’s consumer assistance center at 1-800-547-2927.”

Heather Korbolic, Executive Director, Silver State Health Insurance Exchange

The Exchange was established per Nevada Revised Statutes (NRS) in 2011 by the State of Nevada, and operations began in 2013, on the belief that all Nevadans deserve access to health insurance. Nevada Health Link, the state-based online exchange allows Nevadans to shop for health insurance and provides federal tax credits and subsidies to help cover the cost of insurance for those who qualify.
