**About Nevada Health Link**

[Nevada Health Link](#) is the online insurance marketplace operated by the Silver State Health Insurance Exchange (Exchange), which was established per *Nevada Revised Statutes* (NRS) in 2011 by the State of Nevada and began operations in 2013 on the belief that all Nevadans deserve access to health insurance. In 2019, the Exchange transitioned away from the federal marketplace, HealthCare.gov and became a fully operational State Based Exchange (SBE), in time for its seventh Open Enrollment Period (OEP). Nevada Health Link connects eligible Nevada residents to budget-appropriate health and dental coverage and is the only place where qualifying consumers can receive federal tax credits to help cover premium costs. Subscribe to Nevada Health Link's [Blog](#) and [YouTube](#) channel, like them on [Facebook](#) or follow on [Twitter](#) and [Instagram](#). Nevada Health Link always encourages consumers to use the free assistance of a licensed enrollment professional by calling 1-800-547-2927 or by visiting [NevadaHealthLink.com](https://NevadaHealthLink.com).
